

Welcome to GOOD EARTH CAFE!

All our dishes are vegetarian. You will find ♡*raw (r)*,
♡*vegan (v)* & ♡*gluten-free (gf)* options on our menu.

With lots of love ♡♡♡ we create this selection of healthy &
fresh foods. Everything on the menu is as homemade as possible
on our little paradise island. No MSG or other unnatural
additives are used.

To minimize our impact on the environment, we provide water
dispensers where you can refill your water bottle for a small
price.

Our prices include taxes - if you are happy, please tip our
staff. And of course we love good reviews on tripadvisor, too ♡!

Please enjoy your food & stay at GOOD EARTH CAFE! Namaste.
